Girls Sports Carnival	Students participated in Girls Sports Carnival 2024; PAGE funded for 104 sports uniforms.	Encouraged fitness, teamwork, and active participation in sports.
China Pak Youth Exchange	Distributed stationery and conducted arts activities; introduced basic Chinese language greetings.	Promoted creativity and cultural exchange among students.
Water Facility Installation	Installed water facilities at IMSG Dhok Suleman H-13, benefiting 550 girls.	Improved hygiene and access to clean water, enhancing the learning environment.
Financial Literacy Training	Teachers trained on account opening and financial management by Finlance Global.	Empowered teachers with financial knowledge for better independence.
Health & Wellness Sessions	Covered topics like hygiene, nutrition, and first aid through hands-on activities by Shifa College volunteers.	Boosted students' health awareness and confidence.
Ambassador School Visit	Miss Huma visited Star Schools, engaging with students through activities and discussions.	Motivated students and enhanced community involvement.
16-Day Campaign on Violence Awareness	Conducted awareness sessions, discussions, and symbolic activities to stop violence against women and girls.	Raised awareness and fostered solidarity for a violence-free society.
Girl Child Day Celebration	Celebrated International Day of the Girl Child, promoting girls' rights and access to education.	Reaffirmed PAGE's commitment to gender equality and girls' empowerment.
JICA Visit	Assessed educational activities, teaching methods, and student engagement in STAR Schools.	Strengthened school-community collaboration and student aspirations.

Empowering Afghan Refugee Girls' Education in Pakistan

Activity	Details	Impact
Book Distribution in PAGE STAR Schools	Distributed Packages A, B, and C materials to STAR Schools, ensuring alignment with non-formal education curriculum.	Equipped students with learning resources, fostering equitable education and classroom engagement.
Water Bottle Distribution and Awareness	Distributed water bottles to Afghan girls at STAR Schools, with sessions on water conservation, cleanliness, and benefits of hydration.	Enhanced awareness about clean water practices and encouraged students to regularly bring filled bottles to school.
Teacher Training on Accelerated Learning	Conducted a 5-day ALP Training (Packages A & B) at PAGE's Head Office, supported by JICA and L'Oréal Fund for Women. 21 teachers received training.	Improved teaching practices and empowered educators to support marginalized communities effectively.
16-Day Campaign on Violence Awareness	Organized activities advocating against violence, with teachers leading awareness sessions and students participating in impactful group activities.	Fostered solidarity and advocacy among students and communities for a violence-free society.
Girl Child Day Celebration	Celebrated International Day of the Girl Child to highlight the importance of girls' education and rights.	Raised awareness about gender equality and empowered girls to overcome barriers and recognize their potential.

Education Project in Swat

Activity	Details	Impact/Achievement
Training of Educators on Improving Quality of Education	Conducted workshops focusing on student-centered learning, critical thinking, classroom management, and inclusive teaching techniques.	Improved teaching methodologies, fostering engaging and inclusive learning environments for diverse student needs.
Hygiene Kit Distribution	Distributed hygiene kits on October 15, 2024, including sanitary pads and tissue rolls, alongside hygiene education sessions.	Enhanced hygiene awareness and practices among students, contributing to better health and well-being.
Awareness Sessions on Early Child Marriage	Held sessions in Shagai and Faiz Abad Mingora on October 28-29, 2024, discussing the importance of girls' education, early marriage risks, and health.	Raised community awareness, encouraging support for girls' education and delaying early marriages to promote healthier futures.
MHPSS (Mental Health and Psychosocial Support)	Conducted 20 one-on-one sessions on issues like anxiety and stress, and 8 group sessions on emotional awareness, communication, and confidence-building.	Improved mental health support for students and teachers, building emotional resilience and stronger interpersonal skills.
World Mental Health Day	Hosted workshops at Khushal School on October 10, 2024, focusing on mental health awareness, stress management, and resilience building.	Increased awareness of mental health, providing students with tools to manage stress and prioritize well-being.
Global Handwashing Day	Organized sessions on October 15, 2024, at Khushal School, teaching proper handwashing techniques and the importance of hygiene practices.	Promoted better hygiene practices among students, contributing to improved health and reduced risk of illness.
16 Days of Activism Against Gender-Based Violence	Conducted awareness activities at Khushal School, including group discussions, role plays, and speeches addressing violence against women and girls.	Strengthened awareness about gender-based violence, empowering students and teachers to advocate for gender equality and safer communities.

Out of school children (OOSC) education project in Karachi

Activity	Details	Impact/Achievement
October Art Class Activities	Conducted creative projects, including crafting Teacher's Day appreciation cards, environment-themed artwork, and book-inspired crafts.	Promoted creativity, environmental awareness, and appreciation for educators, encouraging students to express their ideas.
Supply Distribution	Distributed essential school supplies, including uniforms, stationery, notebooks, and learning aids, across four TRC Star Schools.	Improved students' learning experience and provided teachers with resources to enhance lesson delivery.
Mid-Term Exam	Conducted mid-term assessments for 147 students across TRC STAR Schools to evaluate academic progress and identify areas for improvement.	Highlighted students' enthusiasm and reflected the positive impact of providing quality resources for education.
Renovation of TRC STAR School Ghazi Goth	Completed renovation of classroom walls damaged by monsoon rains, restoring a conducive learning environment for students.	Created a more pleasant and supportive educational atmosphere for learners.
November Art Class Activities	Students engaged in Iqbal Day-themed projects, environmental crafts, and subject-related creative activities.	Encouraged creativity and enhanced understanding of cultural and environmental themes.

Star Schools

Activity	Details	Impact/Achievement
Training on PSEA	Conducted an online training session on Protection from Sexual Exploitation and Abuse (PSEA) for 40 teachers, including four from Tharparkar.	Increased awareness among teachers about recognizing and addressing PSEA issues, fostering a safer school environment.
Whiteboard Distribution	Distributed whiteboards with stands, markers, and dusters to nine STAR Schools in Quetta to improve classroom learning.	Enhanced interactive teaching practices and provided essential tools for effective education.
Final Assessments	Conducted assessments for Packages A, B, and C at STAR School Quetta to evaluate students' academic progress.	Supported students' academic journey by identifying strengths and areas for improvement.

A year of better learning opportunities for Tharparkar

Activity	Details	Impact/Achievement
Renovation of Three Schools	Completed whitewashing in three Star Schools to improve classroom cleanliness and appearance.	Created a brighter and inviting environment conducive to learning.
Reconstruction of Dhaba GI School	Reconstructed the school using a traditional mud hut structure, providing better insulation for extreme heat conditions in Tharparkar.	Addressed environmental challenges, creating a sustainable and comfortable learning space for students.
Supply Distribution	Provided essential school supplies to four Star Schools in Tharparkar, including uniforms, stationery, and learning materials.	Enhanced the learning experience and supported effective teaching in underserved schools.
Health and Hygiene Workshops	Conducted workshops educating students on personal hygiene and health practices.	Improved students' awareness of hygiene and equipped them with practical knowledge to prevent illnesses.
Sports Day	Organized a Sports Day featuring various games to promote physical activity, teamwork, and healthy competition among students.	Encouraged fitness, camaraderie, and community engagement among students.
Diwali Culture Day	Celebrated diversity with a Diwali Culture Day, recognizing the cultural practices of the minority Hindu community in Tharparkar.	Fostered inclusivity, cultural exchange, and mutual respect among students of different backgrounds.
Plantation Day	Organized a Plantation Day where students planted trees and learned about environmental conservation.	Promoted sustainability and environmental stewardship among students.
World Water Day	Educated students on water conservation through creative activities like chart-making to illustrate the water cycle and usage.	Raised awareness about water preservation and emphasized its significance for sustainable living.
